
12v mobile power supply plus inverter

What is a 1250w powerverter?

1250W PowerVerter Plus Industrial-Stre... You don't have to be near your computer or an AC power source to keep your mobile devices fully charged and your power tools and small appliances operating. This 750W mobile inverter converts 12V DC power from your car, truck, fleet vehicle, boat or RV's battery into standard 120V AC power.

How does a 750W mobile inverter work?

This 750W mobile inverter converts 12V DC power from your car, truck, fleet vehicle, boat or RV's battery into standard 120V AC power. Just connect the included battery cables between the inverter's DC input terminals and the positive and negative terminals on your vehicle's battery.

What is a powerline 150 watt inverter?

The PowerLine 150 Watt Inverter is both an AC outlet,a DC VPS pass through port and a pair of DC USB power ports for your car,van,or RV. The compact solution allows you to power at the same time two single household AC electrical items from your Vehicle Power Socket AND 2 USB powered devices,while providing a DC pass through VPS extension port.

What is a power inverter with a built-in battery charger?

Power inverters with built-in battery chargers provide a reliable uninterruptible power supply (UPS)for homes,offices,and off-grid systems. These advanced inverter chargers automatically switch between battery power and utility AC power,ensuring that your appliances and electronics continue running during a power outage.
