## 350kW Photovoltaic Container for Emergency Command

I don't know what your price targets are, but speaking from an extreme long term investor, I just wish the growth of Tesla can be slower and quieter. I don't like the noises around Tesla these ...

Price cuts on cars show, regardless of how Musk spins it, that a major growth area of his share of the market has already purchased a Tesla (at whatever the cost) and the remaining buyers,

...

35 votes, 92 comments. Just like last time when it went to 119. I think this time also TSLA stock will reach as low as 100.

That's why a lot of Tesla retail investors are very upset with Elon and have asked him to step down as CEO because every time he says something, it causes the stock price to fall. So the

...

Tesla (TSLA) is delivering its first ever all-electric, battery-powered semi-truck to Pepsi today. Do you think this is already priced into the TSLA stock price?
