
American solar Glass Sun Room

Are glass sunrooms retractable?

Our sunrooms have been installed in hundreds of thousands of homes, condos, restaurants, hotels and conference centers around the world. Unlike most glass sunrooms, our glass sunroom walls are retractable, so you can open and close them as you please. You can bridge together the indoors and outdoors with a stunning sunroom extension in your home.

Where are glass sunrooms made?

Glass sunrooms for our Canadian customers are produced at our world-class manufacturing facility in Vaughan, Ontario, just north of Toronto. Our Canadian team handles every aspect of your patio enclosure order, from manufacturing to installation. We'll make sure you're satisfied every step of the way.

What is a custom solarium?

A Patio Enclosures custom solarium may be the perfect solution. A solarium is a wonderful way to add extra living space to your home for you, your family, and friends. Often referred to as a greenhouse or glass enclosure, a solarium is a type of sunroom addition built entirely of glass.

Is sunroom glass tempered?

Choose from clear glass or bronze tint. All our glass is tempered for safety. Tempered sunroom glass keeps you safe during accidental breakage. The glass will shatter into tiny pieces instead of dangerously sharp shards. We are proud to be the only sunroom glass manufacturer who performs this process in-house.
