
Batteries for large outdoor power supplies

Do you offer low-voltage batteries for outdoor power equipment?

At American Battery Solutions, we offer low-voltage batteries for outdoor power equipment in 48v and 24v battery systems*. These efficient and effective options come in a variety of configurations. What's more, our lithium-ion batteries for outdoor power equipment require no maintenance and provide robust durability, extending the life of your valuable equipment.

Are lithium-ion batteries good for outdoor power equipment?

Lithium-ion batteries for outdoor power equipment require no maintenance and provide robust durability, extending the life of your valuable equipment. At American Battery Solutions, we offer batteries designed to meet your specific needs.

Can electric vehicle lithium-ion be used outdoors?

From commercial landscaping to autonomous delivery, lithium-ion batteries from electric vehicles are heading outdoors. American Battery Solutions offers low-voltage batteries for outdoor power equipment in 48v and 24v battery systems, with efficient and effective options in a variety of configurations.

Are 48V lithium batteries good for solar/wind?

Hear From Them "I've been on solar/wind for 25+ years. My old system was 24V's flooded lead acid which requires much maintenance. I love my new 48V lithium batteries they function much better with less maintenance.
