# Denmark Aarhus water pump inverter manufacturer

Who is danpumps?

After being part of SonFlow, DanPumps became an independent company again in November 2023, fully dedicated to the development and manufacture of pumps tailored to meet the specific needs of our customers. DanPumps offers a broad range of pumps for various applications, including wastewater, marine, industrial, and construction sites.

Who owns danpumps a/s?

In 2013, DanPumps A/S was established as a Danish sales company, partially owned by Sondex A/S. Later, in 2016, Sondex A/S--including DanPumps A/S--was acquired by Danfoss A/S. In April 2017, Aage S&#248;ndergaard Nielsen bought back the pump assets from Danfoss and re-established DanPumps A/S as an independent company.

What happened to danpumps a/s?

In April 2017, Aage S&#248;ndergaard Nielsen bought back the pump assets from Danfoss and re-established DanPumps A/S as an independent company. In September 2019, DanPumps A/S changed its name to SonFlow A/S as the company expanded its production to include plate heat exchangers.
