We also offer customized solutions to meet specific architectural needs and client preferences. How much does it cost to install a curtain wall in Dubai?

What is a curtain wall?

A curtain wall is a non-structural facade that spans across the exterior of a building, typically made of glass, metal, or other materials. Unlike traditional walls that support the building's structure, curtain walls are designed to provide aesthetic appeal, weather protection, and insulation without bearing any load from the building itself.
