# Finite element analysis of new energy battery cabinet

In You should weigh up the pros and cons rather than deciding now, the contrast is of two non-finite verbs (an infinitive and an -ing verb). But I have to tell you, this doesn't sound ...

Despite applying for hundreds of jobs, he is still out of work. (Oxford Advanced Dictionary) Can we use Although instead of Despite in the above sentence?

Non-finite take as subject object pronouns (&quot;it&quot;) or possessive pronouns (&quot;its&quot;). As I said earlier, subjects of non-finite verbs are commonly dropped because they are ...

A finite verb must have a verb, but non-finite verbs often appear without an explicit subject, as is the case here. Since the non-finite/participial clause is incomplete, we can't tell ...

The usual meaning of "reduced" relative clause is one where the relative word is omitted and the finite verb is replaced by a gerund-participle or a past participle: [4] People ...

In a non-finite clause (such as your example headed by &quot;having&quot;), you can place &quot;not&quot; before the clause (not having read the book) or after the auxiliary verb &quot;having&quot; (having ...

Can Preposition be followed by a finite clause? If can, what is the difference between the structure and the so-called absolute construction? E.g. &quot;When guidance seems ...
