Discover gentle, effective ways to reconnect emotionally and physically. Learn how to get your wife in the mood with tips that build trust, desire, intimacy.

Without having a passionate marriage, staying happily married becomes work. It's what makes a marriage spectacular. Passion evokes playfulness, sincerity...

If you want to be more attractive to your wife, there's a common misunderstanding that may be torpedoing your efforts.

Many men take their wives for granted, but a husband who truly loves his wife makes sure his behavior shows her how much he cares.

Couples need to work on their intimacy from time to time, else their passion in their relationship can fizzle out. This article suggests ways to increase intimacy in a relationship.

Rather than just saying "I love you," get creative and thoughtful by sharing some of these love messages for your wife to let her know how you feel.

Remember that rekindling passion is a shared journey--be attentive to your wife's needs and feelings, and work together to build a deeper, more passionate connection.
