
Hundreds of watts of solar inverter

They won hundreds of dollars; five hundreds to be precise! As the sources below state, the author--technically--should use "hundred" in this case. However, the author used ...

Only One Motherby George Cooper Hundreds of stars in the pretty sky, Hundreds of shells on the shore together, Hundreds of birds that go singing by, Hundreds of lambs in the sunny ...

The phrase hundreds more of (red line) was frequent in the 1800's, more hundreds of (blue line) in the early 1900's, and few hundred more (green line) at the moment.

The difference is that "hundreds of thousands of" means "at least 200,000", but probably more. It's vague but huge (relatively), but "hundreds and thousands of" is illogical and ...

If I'm not mistaken, tens of means 10 to 99 and hundreds of means 100 to 999. Is this correct? I found in some dictionaries that tens of is actually not correct. I also found that ...

The question title refers to expressing thousands using multiples of hundreds, like saying "twelve hundred" instead of "one thousand two hundred". This is somehow new to me. I ...

Hundreds doesn't have to refer to even multiples of 100 (as in 300, 400, etc); people use it for amounts such as 472. In the same way, if you wanted to generally describe, say, 52 ...
