What is the LG Home 8 energy storage system?

Life happens at home. Keep yours running smoothly with the LG Home 8 Energy Storage System (ESS)--a home battery backup solution built to store and provide up to 14.4 kWh of usable energy from solar panels or AC-coupled power. By installing more reliable backup power, you're free to keep doing what you love, where you're most comfortable.

Why should you choose LG Energy Storage Systems?

LG is proud to lead the charge toward a greener future with stylish and dependable electrification solutions. With our all-in-one Energy Storage Systems, we're committed to providing more reliable, renewable energy to power your home when you need it and peace of mind when you don't. Home is where the "smart" is.

What is LG Energy Solution?

LG Energy Solution showcases various ESS products based on its expertise in developing and manufacturing high-performance, high-quality batteries. It produces ESS for different purposes, including power grid, commercial, residential use, and uninterruptible power supply systems (UPS).
