## Lithium solar container outdoor power assembly in Barcelona ??Spain

Who makes containerized mobile solar PV generators?

Spanish solar PV generator manufacturer Nomad Solar Energy, a subsidiary of solar power plant project developer Lone Lighthouse, has launched a line of containerized mobile solar PV generators.

Where are solar power plants made?

Headquartered in Shanghai with 50,000m<sup>2</sup>+ production bases across Jiangsu, Zhejiang, and Guangzhou, the company employs 1,000+ professionals, including 20+ engineers driving energy storage technology. ISO/TUV/CE-certified units deliver rapid-deploy solar power for off-grid, emergency, and mobile applications, reducing emissions by 70% vs diesel.

Why should you choose a modular solar power container?

Go big with our modular design for easy additional solar power capacity. Customize your container according to various configurations, power outputs, and storage capacity according to your needs. Lower your environmental impact and achieve sustainability objectives by using clean, renewable solar energy.

Engineered to complement solar folding containers, our lithium-ion battery systems deliver dependable power storage with fast charge/discharge capabilities. Their modular architecture
