Processing ForumI was wondering if there is a way to convert the contents of a byte [] variable into a XML variable, for example, I download a file asynchronously into a byte [] ...

Processing is an electronic sketchbook, a language and a worldwide community. This is its forum.

Hello, I'm new to Processing and would like to draw a box with some sides being transparents. Is there a simpler solution than drawing each rect of the box one by one using ...

In the first example you are calling a function called int () which takes a value another data type and attempts to convert it to an integer value. This function is provided by ...

Even with new data, the subsequent analysis should be principled and conform to best practice in both the Machine Learning and the Mechanical Systems and Signal Processing communities.

Some flappy code for processing i have made. Currently 128 lines, it would be interesting to see how minimal the code could be and still be functional.
