
Rcb circuit breaker for sale in Uk

What is a RCBO circuit breaker?

Available in 2 or 4 pole and in current ratings from 25A to 125A. 6kA and 10kA Residual Current Circuit Breakers with Overcurrent Protection(RCBOs) combine the functionality of a RCCB and MCB in one device,protecting against residual current (earth leakage) faults as well as overcurrent and short circuit protection.

What is RCBO MCB & RCD?

RCBO stands for Residual Current Circuit Breaker with Over Current. RCBOs combine the two main functions of an MCB and an RCD. They are a type of circuit protection device designed to disconnect a circuit when a current becomes unbalanced. Therefore,protecting both equipment and people.

What is a miniature circuit breaker (MCB)?

6kA and 10kA Miniature Circuit Breakers (MCBs) for automatically switching off the power supply if the electrical circuit is overloaded and will also provide short circuit protection.

Available in 1 to 4 pole and in current ratings from 0.5A to 63A.

What does RCBO stand for?

Residual Current Circuit Breakers with Overcurrent Protection(RCBOs) are advanced safety devices that combine the functions of a Miniature Circuit Breaker (MCB) and a Residual Current Device (RCD) in a single compact unit. RCBOs protect electrical circuits from overcurrent,caused by overloads or short circuits and from earth leakage faults.

Amazon .uk: rcb breakerJanmobrian Circuit Breaker, Circuit Breakers CNC 230V 50/60 HZ RCBO MCB 30mA Residual Current Circuit Breaker With Over Current And Leakage ...

RCBOs are a type of residual current circuit breaker, a safety device for monitoring power distribution and providing protection. They're often found in a fuse box, consumer unit or breaker panel. RCBOs combine the ...

Explore our range of residual current breakers with overcurrent protection. IN STOCK & next day FREE delivery over £100. Order your RCBOs here.

Techna circuit protection - miniature circuit breakers and types of residual current circuit breaker (GFCI) including Type A, Type B, UL489. Buy online now.

Welcome to Circuitbreakersonline .uk We specialise in all types of circuit breakers from current ranges of MCBs & RCBOs to some very rare obsolete circuit breakers The majority of the ...

Here at Protek UK we supply quality RCBO (Residual current operated Circuit Breaker with Overcurrent protection) for use in Consumer Units and Enclosures. Available in "B" Curve and "C" Curve, 30mA Trip and 100mA ...

Here at Protek UK we supply quality RCBO (Residual current operated Circuit Breaker with Overcurrent protection) for use in Consumer Units and Enclosures. Available in "B" Curve and ...
