## **Stationary energy storage and existing batteries**

Something that is stationary is not moving. Stationary cars in traffic jams cause a great deal of pollution. The train was stationary for 90 minutes.

1. You can set your creations to stationary as if they were statues, put them in fenced zones like a zoo, or let them run wild like a safari. ...

STATIONARYHowever, we show below that even when we restrict our attention to this class of functions, an extremely large number of ...

STATIONERY, The stationery office and its employees should not look nervously to the past; they should look boldly to the future.
