# Subsidy for peak-shaving energy storage power station in Lyon France

"Subside""subsidy"  
"subsidiare"""""""Subside" ...

I am looking for an official English version which means "a supporting subsidy for nevertiree entrepreneur." What is the proper word choice or a good word order?

Subsidy d&#233;signe toute aide financi&#232;re (subvention); en g&#233;n&#233;ral sur fonds publics, mais pas n&#233;cessairement. Grant d&#233;signe &#233;galement une aide financi&#232;re, mais sur fonds ...

A better example of a subsidy is when the government gives economic assistance to an entire sector (such as farming) in order to make it easier for farmers to produce and sell ...

1. Subsidies (or subsidy?) of for further studies 2. We will provide a subsidy (or subsidies) for travelling.
