## **The bigger the sun is the higher the power generation of solar panels**

bigger than the whole sky  
Salt streams out my eyes and into my ears, Every single thing I touch becomes sick with sadness ...

Twice bigger is not used by native English speakers, as far as I know. It makes little sense to me. Twice as big clearly means double the size, so that one's fine.

Greater, higher, and larger are common choices to describe proportions and amounts; bigger does not sound idiomatic - I'm not sure why. proportion of
