Hi, is there any strong difference in pronunciation between "warm" and "worm"?. Thank you in advance.

"Warm welcome" without the article might be possible in a few contexts: perhaps as the caption to a photo, or as a title, where practically anything can be used, including a single ...

Hallo! Ich fragte mich, wie man auf Deutsch "hei#223;" und "warm" verwendet - wie sind die Situationen, an den "hei#223;" besser passt, und diese, an den "warm" besser passt? Gibt ...

Hello ahya518, and a warm welcome to the Forum! What do you mean by a welcome board? Is it a painted notice? Tell us a little more of the context please.

When it is warm I am comfortable,when it is too warm I am a little bit uncomfortable,when it is too hot I almost feel sick I am desperate for AC or some other relief. ...
