
Weather station uses 100kWh energy storage container in Nairobi

Here are some more expressions that I have doubts about. I would like some Francophone reactions from both sides of the Atlantic. Il fait du soleil Il fait du brouillard Il fait ...

(all time, all weather and high-accuracy positioning) Hi everyone, Last night I saw a news in the paper and I found something wrong ...

For example, The weather forecast says that it (will-is going to) rain tomorrow. I read that "will" is mostly used. But what's confusing me is that "be going to" is supposed to be ...

Please imagine we are having a good weather today and we'd like it will continue tomorrow in the way it is right now. Which one of the following bold phrases can complete my ...

Hi everybody, I am aware of the fact that the word „weather" is uncountable and therefore the use of the indefinite article is grammatically incorrect - still I would like to know ...
