## Weather station uses Maltese folding container 20kW

Please imagine we are having a good weather today and we'd like it will continue tomorrow in the way it is right now. Which one of the following bold phrases can complete my ...

Hi everybody, I am aware of the fact that the word „weather" is uncountable and therefore the use of the indefinite article is grammatically incorrect - still I would like to know ...

Here are some more expressions that I have doubts about. I would like some Francophone reactions from both sides of the Atlantic. Il fait du soleil Il fait du brouillard Il fait ...

For example, The weather forecast says that it (will-is going to) rain tomorrow. I read that "will" is mostly used. But what's confusing me is that "be going to" is supposed to be ...

(all time, all weather and high-accuracy positioning) Hi everyone, Last night I saw a news in the paper and I found something wrong ...
