## What are the custom energy storage container manufacturers in the United States

I'd use "custom". To me, "tradition" suggests something that's been going on for centuries and while that may or may not be the case with tipping the hairdresser, the inference ...

It is a custom for people to have several computers at home. I am more inclined towards 2., because people can have other customs, and the custom about computers is one ...

Custom = to the customer's specification or to fit a particular area/part/shape, etc. Customized = changed from the manufacturer's original design.
