## What are the specifications and dimensions of a 625w solar panel

specification specifications Sometimes both are used in same topic, and makes me confused.  
Do I understand right as ...

?????specifi...?specifi...??????2?????????Hinative??&quot;????&quot;????????????????? ...

Specification?????Q& ASpecification????????????????104????????????????????

Technical specifications which are subject to change are without prior notice to customers " ...

3.All technical specifications and parameters should at least meet the technical and accuracy requirements for product processing. ...
