## What are the tracking methods for solar panels

How does the tracking work? When a customer drops off a Royal Mail Tracked Returns™ item at a Post Office™ branch, the item is weighed, the postcode is taken, and the item is tracked.

When you send mail with us using a tracking service, your item gets scanned at various points in its journey. You'll see this information when you use Track your item .

Link to a URL What does my tracking message mean? When you send mail with us using a tracking service, your item gets scanned at various points in its journey. You'll see this ...
