## Will a hole in a solar panel affect power generation

rabbit hole a situation, journey, or process that is particularly strange, problematic, difficult, complex, or chaotic, especially one that becomes increasingly so as it ...

A hole, on its own, is very negative when used of an establishment. If you described a bar or restaurant as a hole, no-one would want to go there. So bare "hole in the ...

The answer was correct this time. The hole was in the wall. He put the map on the wall to cover the hole. We say a hole "in" the wall because a hole goes through it. We would use ...
