Yato tool battery

Hiyori manages to save Yato from the underworld by discovering that his true name was Yaboku. How did she come to this conclusion?

When Yato named Yukine, he gave him three names - Yuki, Yukine, and Setsuki. What"s the point of the different names?

In episode 12 season 2 of Noragami, Yato says that if anyone knew his real name (Yaboku), they would hate him. However, when Hiyori figures it out, no one seems to ...

In Noragami, Yato refers to himself as a god., which is the kanji for god, can be pronounced "gami", so he is probably referring to himself literally as "Yato God".

I"m wondering how Nora got back from the Underworld despite being left there by Yato (Noragami Aragoto Episode 12-13).

And on the past of Yato in Noragami he is a God that kills people and killed a regalia, in the article above it says that the Yato-no-Kami exterminate people. Also the Yato-no ...

I think your explanation is a worded a bit wrong. Hiiro thinks she does everything for Yato"s own good and so she never feels guilty about anything, thus never tainted him. ...
